

PLANNED GIVING RENEWAL 2018

The Catholic Community of the Hill Suburbs Pastoral Area

Parish income is increasing falling behind the expenses we face, as you can see in the chart for 2009-2017 and the financial summary for 2017 on the reverse of this sheet.

Without your support we face a difficult future. Please consider making a regular donation and be as generous as you can afford. The future of Catholic worship and service in the Hills Suburbs parishes depends entirely on your generosity.
